Catechist actually prepares and teaches the class using a teachers manual and other material when needed.

Classroom Aide actually sits in classroom and assists catechist and/or students during the class.

Hall Guard monitors the halls, collects attendance folders and deliver materials to classrooms.

Office Help during class time works in the office doing a variety of tasks as needed. Also, call homes of students who are absent and have not called in their absence.

Office Help during the day works with the RE secretary on various tasks.

Christmas Eve Family Mass would be helping at and attending the practices for the children who participate in the Christmas Eve Family Mass. Children who participate are in grades K – 3.

Vacation Bible School help to organize the different activities. VBS is during the day usually from 9am-noon during one week in June.

All volunteers must complete the "Protecting God's Children" workshop (one time only) and have a certificate on file with OLOP plus a criminal background check on file. The PGC workshop will be held sometime in September and/or October at OLOP. OLOP will file paperwork for a criminal background check. Any fees involved will be paid by the OLOP Religious Education Office.
